

# Simple Things You Can Do To Help Your School

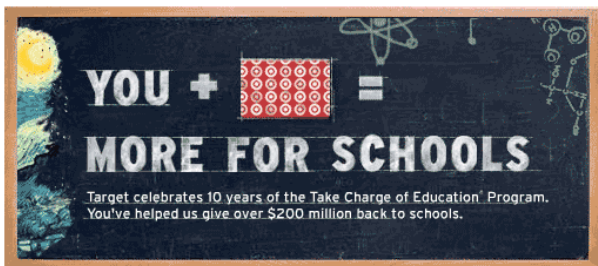

Dear Noor-Ul-Iman School Parents,

Assalamu 'Alaikum! We hope this letter finds you in the best of health and Islamic Spirits. The cost of providing a first-rate education in America rises annually. That is why Noor-Ul-Iman School, like many other private and public schools, tries to work on different methods to raise extra funds each year. Below are a variety of programs that Noor-Ul-Iman School participates in that support its operations but **cost you nothing** in the process. *Kindly read this notice and make a resolution for this year to help out your school in at least one manner and tell one friend or family member to do the same.*

## Search the Web Using GoodSearch.com

Our school is participating in a program with GoodSearch.com where we earn 50% of the ad revenue generated by Yahoo! Search Engines. That typically amounts to **one cent per search!** Considering how often some of us are on the web combined with all of our students utilizing this search service, the potential exists for good revenue. As of the end of July, Noor-Ul-Iman School has raised more than \$250 with this program. Consider using GoodSearch.com for your searches and ask your family, friends, and neighbors to use GoodSearch.com. Be sure to designate Noor-Ul-Iman School as the recipient of the donations generated by your searches.

## Apply for a Target Card

**Target** has donated more than \$229 million to schools through Take Charge of Education. It's super-easy, and all you have to do is apply for and use a Target® Visa® Card, Target® Card (for use at Target stores only), or Target® Check Card. Target donates an amount equal to one percent (1%) of purchases at any Target store and Target.com, and one-half percent (1/2%) of purchases made everywhere else Visa credit cards are accepted.

Currently, we have only five committed NUI families who are supporting this program and their average contribution is \$10 per year. Imagine the contributions that could be raised if all parents, friends, and families participated in this program. We have a Target near the school where NUI families shop frequently, so please consider applying for a Target® Visa®, Target® Card, or Target® Check Card to support your school. Just visit [target.com/tcoe](http://target.com/tcoe), or call 1-800-316-6142 to apply and designate Noor-Ul-Iman School (**School Id: 122868**) as the recipient of your donations.

*\*This is a nation wide program so grandparents, alumni, neighbors and friends can help out by acquiring and using these cards too! \**

## Clip and Submit Box Tops for Education

Clip Box Tops from hundreds of your favorite General Mills products found throughout your local grocery store. Each Box Top is worth 10¢ to our school. ***Our goal again this year is to raise \$1500 with this program.*** (We collected the most ever last year: \$1058.60 not only met our goal but exceeded it, so \$1500 should be attainable this year, insha' Allah!) How can we reach this goal? ***All it would take is each student submitting 3 Box Tops every month!*** So make sure you clip and save some Box Tops over the summer. Remember to write your child's first initial and last name on the back of each Box Top submitted. This will give your child an opportunity to win a special prize should his/her class have the highest average number of Box Tops submitted in a certain period. Please send all Box Tops to school with your child in a sealed envelope/plastic bag or watch for the special collections that were used last year.

Look for Box Tops on General Mills Cereals, Betty Crocker products, Cottonelle/Kleenex/Scott paper products, Hefty tableware and plastic bags, Huggies baby products, (New!) Juicy Juice products, Old El Paso products, Pillsbury refrigerated and frozen products, Yoplait yogurt products, Ziploc products...

Simply **clip UPCs and save lids** from Labels for Education Brands (see below) and send them with your child to school. Remember to write your child's first initial and last name on the back of each UPC or lid submitted. This will give your child an opportunity to win a special prize should his/her class have the highest average of Labels for Education UPCs/lids submitted in a certain period. Please send all Labels for Education UPCs and lids to school with your child in a sealed envelope/plastic bag.

**What to Save:** Campbell's Products - UPCs, Franco-American Products - UPCs, Pepperidge Farm Products - UPCs, Prego Products - lids, Swanson Products - UPCs, and V8 Drinks - lids
