

## ANNOUNCEMENT

### Opening of

### Rt. 522/ Promenade Blvd. Access and the Additional Parking

The opening of Rt. 522/Promenade Blvd. access and the Additional Parking is scheduled for Friday, 4/16/2010 @ 4:00PM, Insha Allah.

The new Rt. 522 Access and the additional 100 Spaces additional parking which is located at the back of the third school modular unit, will require a new Traffic Pattern in accordance with South Brunswick ordinance.

The new Traffic Pattern which is outlined in the plan is designed to greatly improve the circulation within our campus. It is imperative for all of us to closely observe this pattern for the safety of the children, ISCJ members, and visitors. To this end, the ISCJ will vigorously enforce the traffic within the campus, and urge all members to:

- Obey in-campus speed limit of 15 mph.
- Obey the traffic guide signs, arrows, and striping.
- Double parking will not be allowed.

Thank you.

ISCJ Building Committee.
