

# Noor-Ul-Iman School

## Going Green & Making Green!

Dear Noor-Ul-Iman Parents, Staff, and Students,  
Assalamu 'Alaikum!

The Community Service Club has teamed up with Terracycle to help Noor-Ul-Iman School to reuse, reduce and recycle! Noor-Ul-Iman is now recycling all types of packaging and earning money for every product recycled. **Below is a list of the items that you can save and submit with your child regularly** (collection bins in every classroom!). The items that are submitted will either be reused or made into other items! So help Noor-Ul-Iman School help the world and help itself!
